Blue Plate

Pizzabella

14218 Nacogdoches

Now for this week's blue plate award for a perfect health inspection score: Pizzabella in the 14000 block of Nacogdoches on the Northeast side.

Pizzabella has made quite a comeback.

Three years ago, the previous owners received a poor score on their health inspection.

Since then, the new owners have made cleanliness a priority and now they have the blue plate to prove it.

Congratulations Pizzabella.
